

Edible Arrangements - Flower/Fruit Box

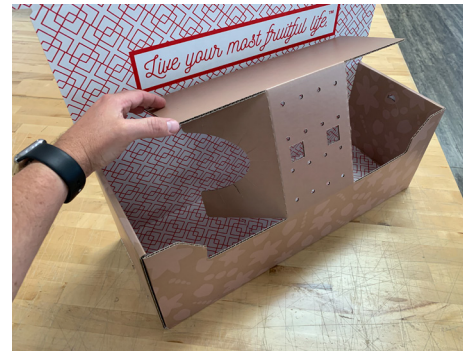

Retail Assembly Instructions

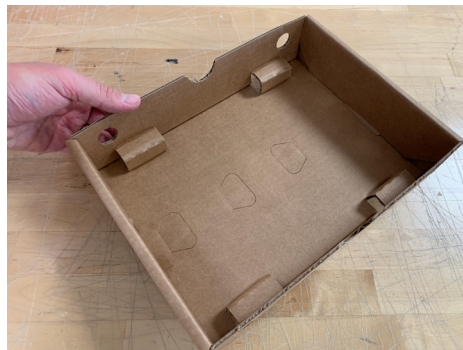

1. Fold the sides of the box in. Fold the bottom panel in and then fold the front in as shown.

2. Roll the sides of the box over and lock the tabs into the slots provided.

3. Fold the platform in as shown and tuck it into the box.

4. Fold the tray up as shown. Once the tray is folded up, pop in the tabs according to the specific box that will be used in the gift box.

Small box is placed between 4 pop in tabs.

Large box is placed below 2 pop in tabs.

5. For single tray, place the tray in the center and lock the tray into place by pushing in the 2 tab locks.

6. For 2 trays, align the trays where the third lock is on the inside and able to be tab locked in place.

7. Close the lid. Complete.
